Conu

4 Oct. 1952

Drav Jewed Smith,

I talked on the blephone wit Bill tackson yesterday and he toed me stat he had seen you recently and had mentioned that I expect to return to washington in the mar future to resume operations. Bill said that you had been kind enough to suggest that I come to see you to discuss briefly whether Aure is something helpful Atat I conto do in CIA., perhaps in cone nection with the esturates work. I suggestion. I expect to make a short hip to washington this coming week to fore moving down permanent.

in about the 15th I expect to low

in washington Thursday and Friday,

The que and 10th and will call your office to see if you have very free time on either of these days. I shall look forward to seeing you Approved For Release 2003/06/03: CIA-RDP80R01731R003100030024-3/
